UPGRADE INTERCOOLER INSTALLATION INSTRUCTIONS

PART NUMBER:

D330-0026

APPLICATION:

2016-17 F87 M2

Congratulations for being selective enough to use a Dinan Intercooler Upgrade. We have spent many hours developing this system to assure that you will receive maximum performance and durability with minimum difficulty in installation.

The latest instructions are available for download at the Dinan website:

- Open a web browser and navigate to www.dinancars.com
- Select your vehicle.
- Select the intercooler product.
- Click the "Download Installation Instructions" link.

NOTE: This kit may not fit all combinations of vehicles, bumpers, and option packages. Please pay careful attention to the vehicles listed in the installation instructions. Do not install this kit if your specific vehicle configuration is not covered. Please contact your Dinan representative if you have any questions.
