

Instruction Manual

P/N 30-2131-XXX Pressure Sensors

The model 30-2131-XXX family of pressure transducers is specifically designed for pressure measurements in automotive systems. The mechanical connection is 1/8" Male NPT. Each sensor comes with a mating connector plug and pin kit. Sensors are not recommended for use with methanol.

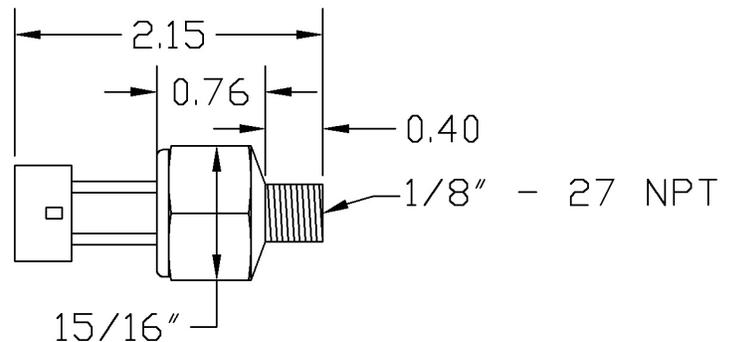

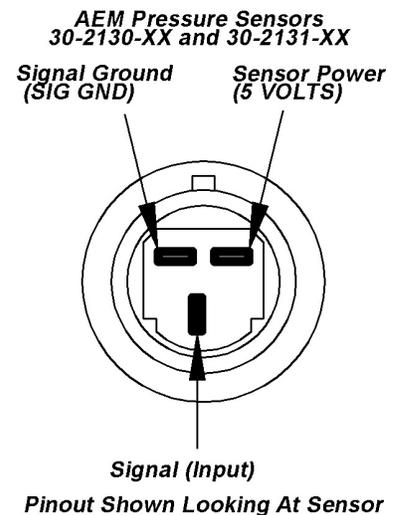

Kit Contents		
Part Number	Sensor	Connector
30-2131-15G	15 Psig	Included
30-2131-30	30 Psia (2 Bar)	Included
30-2131-50	50 Psia (3.5 Bar)	Included
30-2131-75	75 Psia (5 Bar)	Included
30-2131-100	100 Psig	Included
30-2131-150	150 Psig	Included

Specifications:

Accuracy (Temp Included):	< +/- 3% FS
Mounting Torque:	14.7 ft-lbf
Operating Temp:	-20 to 105C
Burst Pressure:	2 X FS
Supply Voltage:	5V +/- 0.25V
Supply Current:	4.5 mA at 5VDC
Weight:	< 60 Grams
Body Material:	Brass
Wetted Material:	316L
Mechanical Connection:	1/8"NPT Male
Electrical Connection:	Packard 3-Pin

Electrical Termination:

Signal Ground: Tap to Sensor/Signal Ground on EMS or AQ1
 Sensor Power: Tap to Sensor Power +5V on EMS or AQ1
 Signal: Connect to MAP/Input Channel on EMS or Input 1-8 on AQ1

IMPORTANT!

The terminals are "Pull to Seat" meaning you must feed the wire through the connector housing **BEFORE** you crimp on the terminals. The wire is then pulled back into the housing and the terminal locks in place. The terminal cannot be inserted or removed from the rear (wire side entry) of the housing. See Figure 1. Below

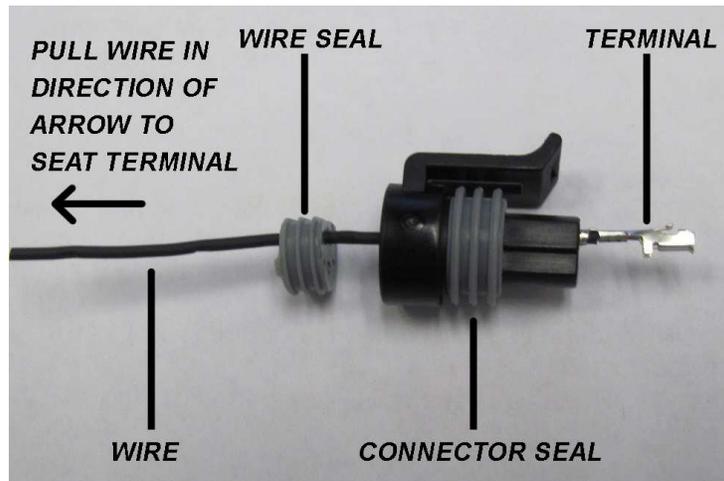

Figure 1. Connector Assembly Showing Pull to Seat Terminal

12 MONTH LIMITED WARRANTY

Advanced Engine Management Inc. warrants to the consumer that all AEM High Performance products will be free from defects in material and workmanship for a period of twelve (12) months from date of the original purchase. Products that fail within this 12-month warranty period will be repaired or replaced at AEM's option, when determined by AEM that the product failed due to defects in material or workmanship. This warranty is limited to the repair or replacement of the AEM part. In no event shall this warranty exceed the original purchase price of the AEM part nor shall AEM be responsible for special, incidental or consequential damages or cost incurred due to the failure of this product. Warranty claims to AEM must be transportation prepaid and accompanied with dated proof of purchase. This warranty applies only to the original purchaser of product and is non-transferable. All implied warranties shall be limited in duration to the said 12 month warranty period. Improper use or installation, accident, abuse, unauthorized repairs or alterations voids this warranty. AEM disclaims any liability for consequential damages due to breach of any written or implied warranty on all products manufactured by AEM. Warranty returns will only be accepted by AEM when accompanied by a valid Return Goods Authorization (RGA) number. Product must be received by AEM within 30 days of the date the RGA is issued.

Please note that before AEM can issue an RGA for any product, it is first necessary for the installer or end user to contact the AEM Performance Electronics tech line at 1-800-423-0046 to discuss the problem. Most issues can be resolved over the phone. Under no circumstances should a system be returned or a RGA requested before the above process transpires.
