Deatschwerks Spin On Fuel Filter Installation Guide

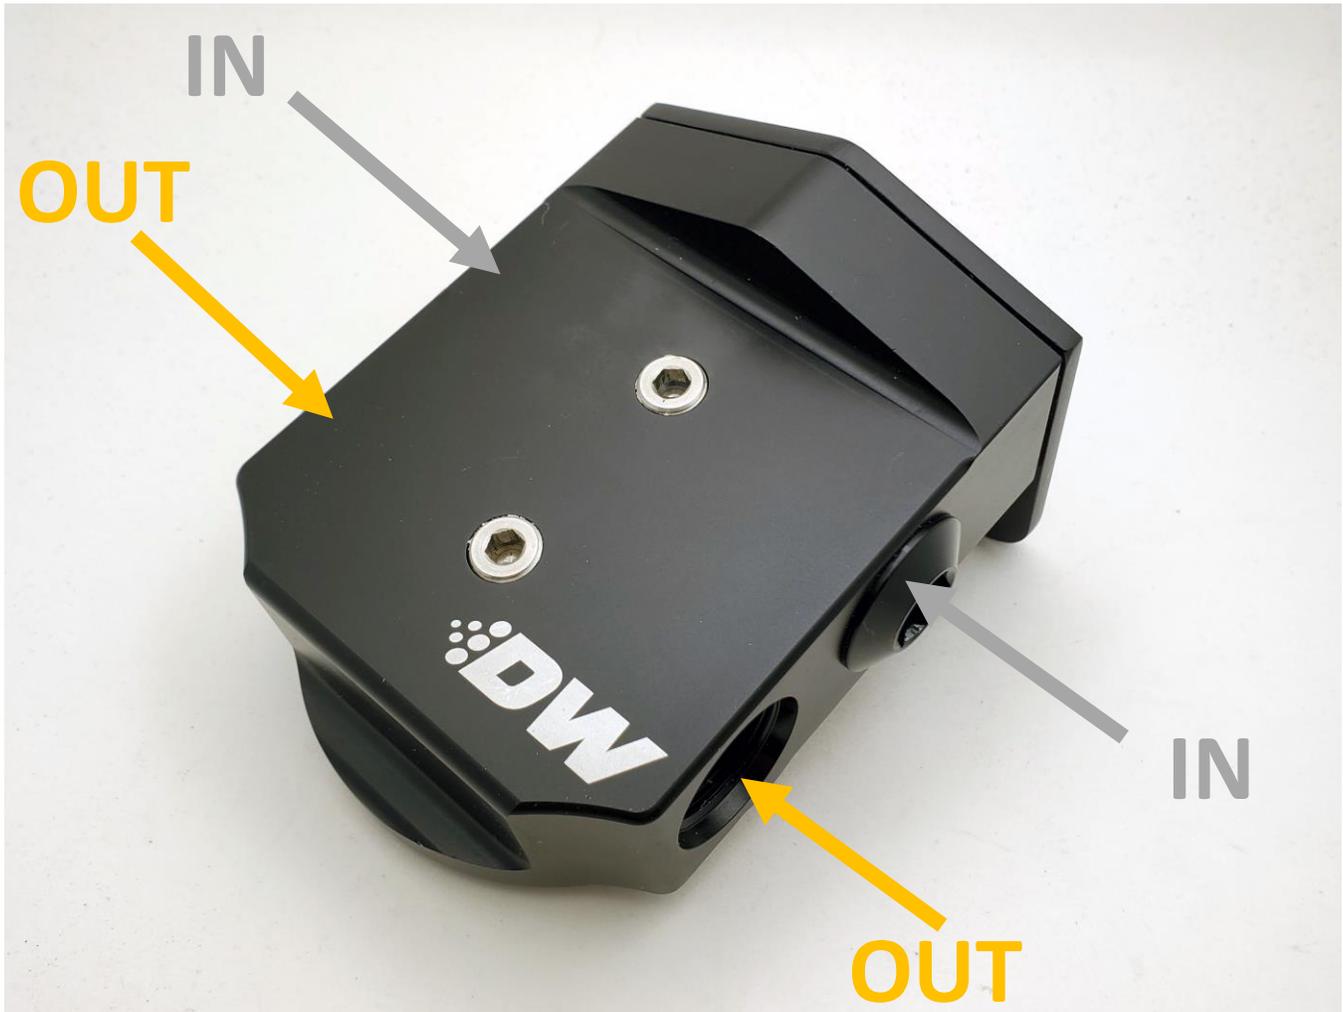

Parts List:

- Filter Base
- Spin On Filter Element
- Mounting Bracket
- -10AN ORB Plugs (x2)
- 1/8" NPT Plugs (x2)

1 – The filter base mount has 4x 10AN O-Ring Boss ports, the two closest to the DW logo are the outlets, and the rear two closest to the bracket are the inlet ports. You can use any combination of In's and Out's depending on your fuel system design.

Note: Replacement filter element PN# 8-02-SOF-005
